

Weren't you supposed to call grandma?!	I thought you needed to check your email?!	Why haven't you looked for your glasses?!
What, you haven't done the ironing?!	You promised to clean the cat's litter tray!	Have you booked an appointment to go and see the dentist?
The lawn needed mowing!	You mean you haven't taken the dog for a walk?!	I asked you to water the plants!
I thought you were going to update your facebook status	It was your turn to vacuum the apartment!	Did you say Happy Birthday to Bob?

It was your turn to do the washing up!	We haven't got any milk!	Weren't you supposed to get a new key cut?
Why haven't you loaded the dishwasher?	You promised to mop the floor!	What, you haven't cleaned the windows?!
Weren't you supposed to tidy up?	I thought you needed to do your English homework?	I asked you to start cooking dinner!
Why haven't you got any credit on your phone?	I thought you needed to take your shoes to be repaired?	The dishwasher needed unloading!
